Cheerleaders Work Hard

The Appomattox Little League Basketball Cheerleaders reaiy worxed hard this year as they supported the players at every game. Credit and thanks go to each participant of the cheerleading squads as they are in a worthwhile organization. Thanks are also extended to their sponsor, Pearson and White, and to Mrs. Myrtle White and others, who worked hard to help the cheerleaders.

we already had, this is something," he said. "We have 35 performers in all, 26 of whom sing, and 9 are in the band. And do they love to perform."

That's the secret of a group like this. These young people get a whole lot of fun out of being a part of the group; they simply enjoy the fun and excitement of what they are doing.

"The reason they come through so strong to the various audiences for which they perform is because they generate so much excitement among themselves that it becomes contagious. The audience can't help but get excited, too."

The proof of Kingma's musical feast is in the hearing. The New Virginians concert, sponsored by the Appomattox Lions Club at the Appomattox County High School on April 5, will demonstrate just how exciting these young people are.

The New Virginians are by no means a traditional college group, performing the old favorites. The programming largely is show music and the pop music of the day, whatever the era from which it is selected.

Coaches Pick Softball Team

The Appomattox County High School girls' softball tryouts began March 5, with 30 girls coming out. Nine of these girls are returning from last year's team, but only three saw regular action. They are Delphine Chambers, left field; Cindy Smith, third base; Mary Jane Smith, short stop.

The girls returning that the coaches expect to see a lot of action this year are: Sue Doss, catcher; Cindy Harris, second base; Pam Moore, first base and outfield; Lynn Doss, right field; Cheryl Robinson, left field; and Jan Stanley, pitcher.

All of the girls new to the team with the exception of one tenth grader, are all freshman and are as follows: Connie Murray, Brenda Bowling, Bernete Moore, outfielders; Lonnette Reynolds and Teresa Almond, first base; Doris Hughes and Roxie Martin, second base; Sherry Terry, third base; and Veronica Franklin and Teresa Harris, pitchers.

Despite the bad weather, the girls have been working hard each day to keep in good condition. Head coach, Mary Libby Tolley says "There seems to be a lot of pep, spirit, and desire, which should bring about a winning season." She also stated: "The competition will be tough in the Seminole District this year in softball and I look for Jefferson Forest to be the team to beat." Last year's record in softball for the Raiderettes was 12 wins and four losses. Assisting Miss Tolley this year will be Mrs. Louise Martin.
